1) Register for the Summer of Adventure program online at: denverlibraryadventures.org

2) Complete 15 activities that are connected to either reading, making, or exploring. You get to choose your own path!

3) In each box write down what you did. Did you read for 30 minutes a day, read an entire book, visit a museum online, learn something new, build something? For our birth through preschool age group, you can use the shape legend to fill in your box.

   ■ READ   ● MAKE   ▲ EXPLORE

4) Once all 15 activities are completed, bring this Adventure Guide to any Denver Public Library branch to pick up your prizes on or after July 31. Due to COVID-19 restrictions, pick up dates are subject to change. For more information go to denverlibraryadventures.org or call 720-865-1111 to speak with library staff.

Elements of Summer of Adventure are subject to change based on the evolving COVID-19 response, please visit denverlibrary.org/COVID-19 for the most up-to-date information.
