

Compass Course Challenge at Hadley Branch

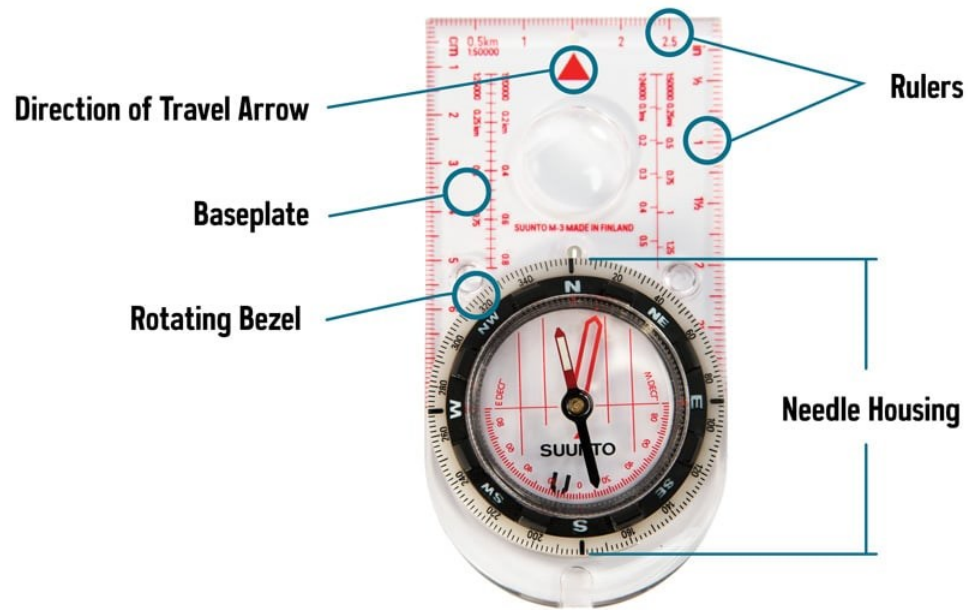

1890 S. Grove St.
80219

Before you get started with this challenge, go to denverlibraryadventures.org to watch videos on how to read and use a compass, how to take a bearing, and more! Use a library computer, your personal tablet/ computer, or a smartphone.

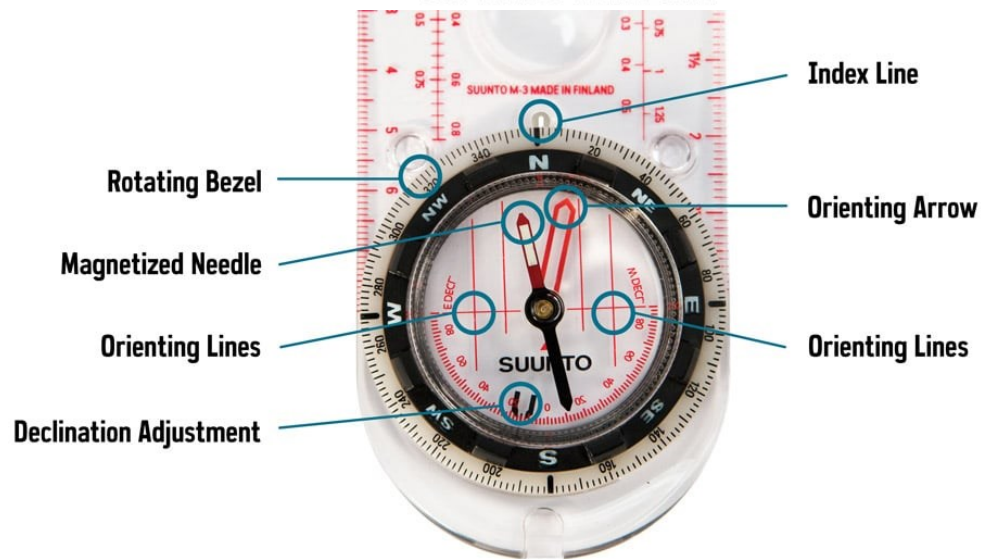

You will be provided a compass that you get to keep. Inside this brochure you'll find a map with instructions.

We hope to equip you with tools that will help you find your way back no matter where you find yourself. Good luck on your journey!

The parts of your compass:

COMPASS ANATOMY

NEEDLE HOUSING DETAIL

- 1) Start where the sidewalk turns grey at Sanderson Gulch. Align your compass and set a heading of 75 degrees. Walk approximately 45 steps. Can you dig it?
- 2) Once you've dug the first clue, align your compass with a new heading of 290 degrees. Walk approximately 20 steps and take me for a spin.
- 3) After going for a spin, align your compass with a heading of 80 degrees. Walk approximately 40 steps, and then hop on by.
- 4) Now that you're toadily into this, align your heading to 180 degrees and walk approximately 50 steps. Just make sure you don't fall on me.

Now that you've got the hang of it - pick out a couple of other landmarks and map your own course.
