

Compass Course Challenge at Park Hill

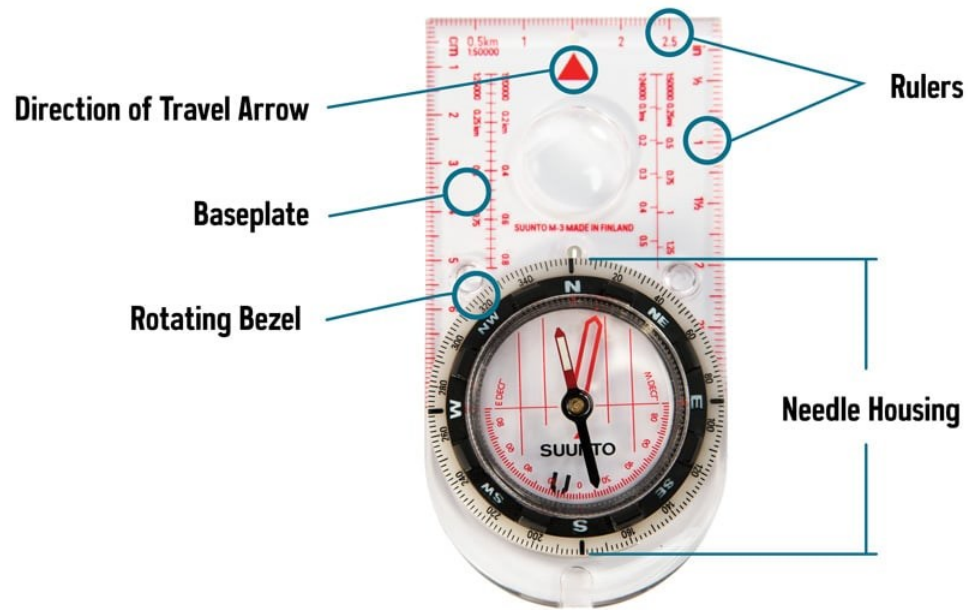

4705 Montview Blvd.
80207

Before you get started with this challenge, go to denverlibraryadventures.org to watch videos on how to read and use a compass, how to take a bearing, and more! Use a library computer, your personal tablet/ computer, or a smartphone.

You will be provided a compass that you get to keep. Inside this brochure you'll find a map with instructions.

We hope to equip you with tools that will help you find your way back no matter where you find yourself. Good luck on your journey!

The parts of your compass:

COMPASS ANATOMY

NEEDLE HOUSING DETAIL

Step 1: Begin in between the two pillars at the bottom of the ramp on Montview. Facing the library, your compass should be pointing North.

Step 2: Take a bearing 270° and walk 40-45 steps (different people may take different size steps) and then face North again. You should see some red rocks marking you're at the correct destination.

Step 3: Take another 25-30 steps North and take a bearing of 90° . Take another 5 steps or so in that direction up the stairs. Which direction did you head?

Step 4: What quote from Cicero can you find around this area?

Congratulations you completed this Compass Course Challenge! How many more can you complete?
