Examine the painting below. What do you see? Write it down here:

The painting has various images that create one picture. The images are clues that let you know which Denver Public Library location it is and where to start your scavenger hunt.

If you don't know which branch location this painting refers to then visit with library staff to have them help you decipher the clues or flip this page over and find the answer.

Did you figure out which branch location it is? If you did, then you're ready to solve the verses that are accompanied with a photo.

The verses will give you a notion of where to find each answer that will ultimately lead you to your goal.

Ready to start? Flip the page to find your verses.

On shelf tops I prowl. I'm orange and stripey. If I was wild, I'd be growly and bitey. I lounge and watch each child pass by. Should I nibble? I'd like to try! What am I and where can you find me in the library?

**Write the answer:**

I'm where **TEENS** chill out and sometimes read. I'm the only one like me in the library. I'm green and gray and if you need to rest, sit your tired bod here - put my cushions to the test. What am I?

**Write the answer:**

Inside the library, I'm one place that can help. And if you have questions, you don't need to yelp! Above this desk there are three words. Each word has the same three letters. Backwards they spell KSA and if you had questions, you'd say them this way. What am I?

**Write the answer:**

In bits and bytes I'm a useful tool. Too much screen time can make you drool. You'd use one of these to search the Web. For other research, use a book instead. Sometimes I'm used just for fun - Minecraft or Roblox, anyone? What am I?

**Write the answer:**

Did you find all the answers? Congratulations! Bring your answers to the branch to pick up your limited edition coin.

If you had trouble finding answers then ask a library staff member for help or look at the key below.
