## Preschool

*Little University: The SuperSHEro Show!*

**Thursday, June 6, 10:30-11:15 a.m.**

In this incredibly fun and interactive magic show, Erica Sodos plays a SuperSHEro whose mission is to spread magic and inspire people wherever she goes.

*Little University: What Rangers Do*

**Thursday, June 13, 10:30-11:15 a.m.**

Park rangers have many different jobs. Working together, the rangers of Rocky Mountain National Park help to keep the plants, animals, and visitors safe. Students get to dress up as different rangers and learn about each of their jobs.

*Little University for Grown-Ups: Exploring the Park*

**Thursday, June 13, 11:15-11:45 a.m.**

Do you and your children like to explore? Join a Ranger from Rocky Mountain National Park to learn about exploring in Rocky Mountain National Park. We will talk about the park, discuss safety, and ideas for how to explore responsibly!

*Little University: Instrument Creation & Petting Zoo*

**Thursday, June 20, 10:30-11:30 a.m.**

Come and check out all the musical instruments we have at the library, create your own and explore how music has an important role in brain development.

*Little University: Galaxies on Plexiglass*

**Thursday, June 27, 10:30-11:30 a.m.**

Be a space adventurer! Create your own galaxy with the colors that you love most. Limited to 20 participants.

## Kids: Grades K-5

*Sticky Fingers Cooking Class*

**Wednesday, June 5, 2-3 p.m.**

Our fun, inspiring and creative chef instructors mix together a sense of engagement and excitement as they combine the love of cooking and fun nutritional facts. Limited to 20 kids.

*Clay Sculpting*

**Wednesday, June 12, 2-3 p.m.**

Students will use air dry clay and various tools to create a sculpture.

*Adventures of the Super Heroes*

**Wednesday, June 19, 2-3 p.m.**

Inspector Magic has a fantastic program that is all about

Reading and Super Heroes. The 45 minute program centers on books and biographies of historical heroes. It is highly energized and interactive for children K-5th.

*Bristle Bot*

**Wednesday, June 26, 2-3 p.m.**

Children will learn about robotics by building their own mini robot.
